EXPERIENCE | PROJECT

Cybersecurity Intern - TechnoHacks EduTech Official (Remote)   **July 2024**

- Completed 10+ hands-on labs covering core cybersecurity concepts including reconnaissance, scanning, exploitation, and privilege escalation.
- Performed 5+ penetration tests on simulated environments using tools like Nmap, Burp Suite, and Metasploit.
- Learned to work with 6+ security tools including Wireshark, Snort, Nikto, and SIEM platforms (Splunk, QRadar).

Password Strength Checker

- Developed a Python-based tool using regex to evaluate password strength.

Port Scanner

- Built using Python's socket library to identify open ports and assess network exposure.

Basic Keylogger (Ethical)

- Implemented using Python's pynput library for educational purposes.

Brute Force Login Script:

- Created a simulation to demonstrate security vulnerabilities in dummy login pages.

EDUCATION

Anuradha Collage Of Engineering And Techonology   **2022 - 2026**
Undergraduate Information Technology

- Sant Gadge Baba Amravati University (SGBAU) offers a comprehensive Bachelor of Engineering (B.E.)
- Program in Information Technology (IT), designed to equip students with both theoretical knowledge and practical skills in the field.
